

# Launch Agenda and Slide Template

Last Modified on 04/12/2024 9:39 am EDT

Here is the standard HBA Ambassador Program Launch Template, which includes instructions for how to develop your overall Launch agenda and complete the slides to accompany each agenda item. Your HBA Launch Leader will meet with you ~2 weeks prior to the launch to finalize the agenda and presentation, but it's helpful to have your draft complete before that meeting.
