

Where is my Program's Registration Link?

Last Modified on 11/01/2024 2:36 pm EDT

Your Ambassador Program's registration link is automatically generated upon submission of the Activation Form. The submitter will receive a confirmation email acknowledging receipt of the form, at the bottom of which includes your program's unique registration link, through which all Ambassadors must register.

The registration link is available to Champions as well via the [Ambassador Program Leadership Hub](#) at any time.

If you are an Ambassador looking to locate your cohort registration link , please contact your Program Champion.
