HBA Global Ambassador Program graduates are eligible for a [Digital Badge](#) to showcase their accomplishment on social media, their email signature, etc.

To provide the individuals who have completed your program a digital badge:

1. Download and complete [this template](#) with your cohorts' details
2. Send it to HBA GAP inbox at globalambassadorprogram@hbanet.org. Digital badges will be sent directly from the platform provider, Credly, to the individuals.

Please feel free to use our templated [Digital Badge email.docx](#)  to inform your Ambassadors of the incoming badge, and even pair it with their [completion certificate](#) if desired!
